

## REMARKS

The drawings have been amended to indicate that Figures 1 and 2 are Prior Art, as requested by the Examiner and indicated in the Specification. Figure numbers have been added to figures 1, 2, 3 and 4. No new matter has been added.

Claim 4 has been amended, as requested by the Examiner, to clarify that the routing device(s) have the public IP address(es).

Claims 1-3 have been canceled, without prejudice, to expedite allowance of the present patent application.

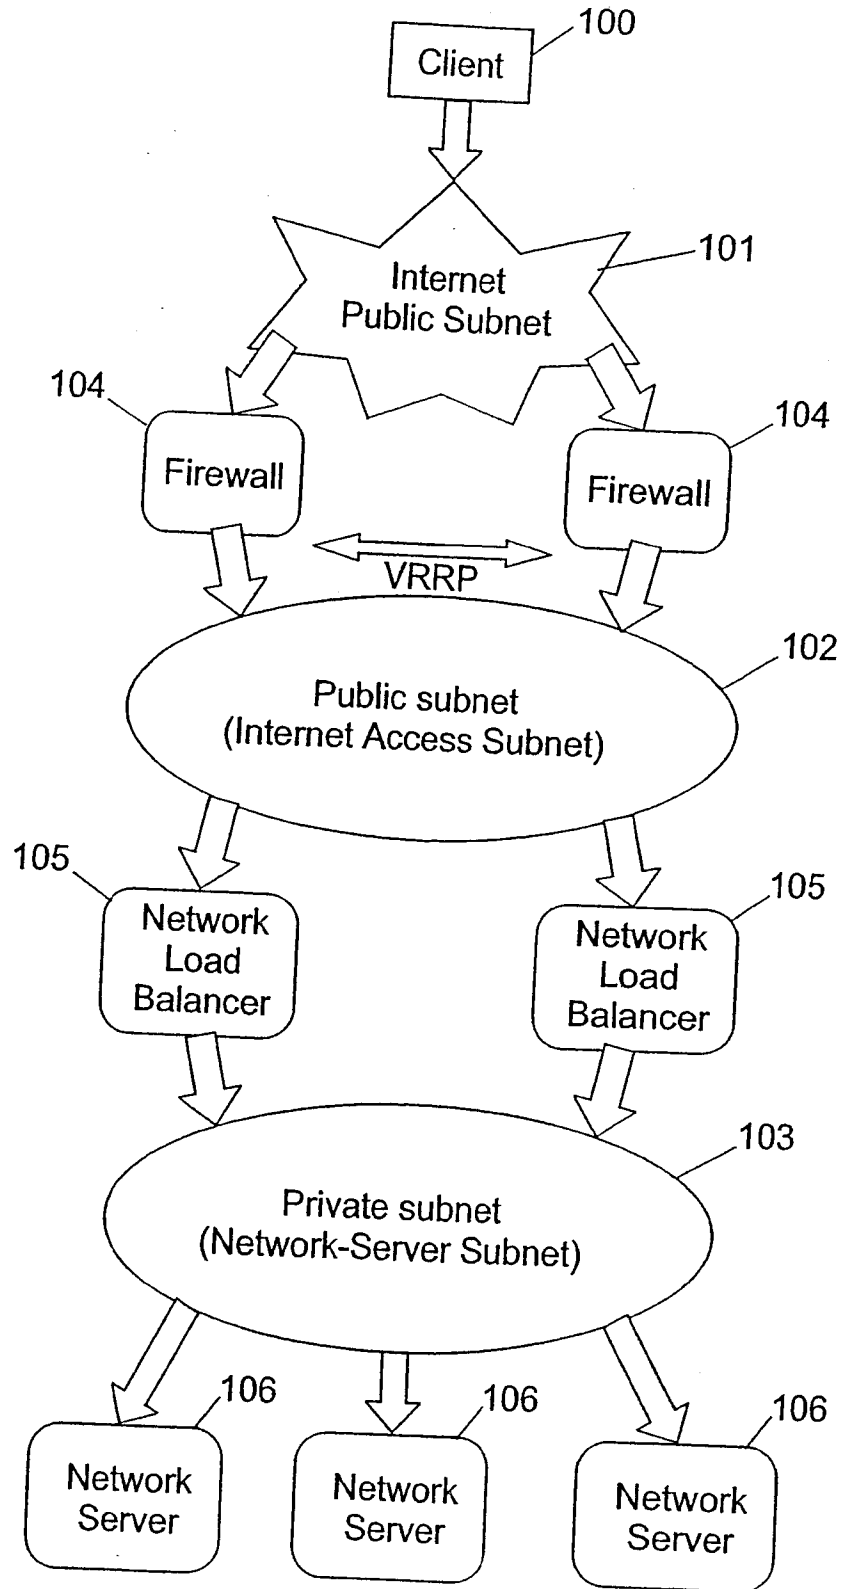

The Examiner indicated that claims 4-10 are allowable (pending correction of the foregoing problem of form).

Based on the foregoing, the present patent application as amended above should be allowed.

Respectfully submitted,
